

ACQUIRED TASTE

YES...EVEN TASTE CAN BE BOUGHT

UNRESERVED lists the things we would all love to, got to and have to have. Some you'll want to flaunt, while others are better kept as your own guilty pleasure.

These are a few of our favourite things for April.

Tom Ford F**king Fabulous

IT'S ALL IN THE NAME AND ONLY TOM FORD WOULD DARE USE AN EXPLETIVE IN A PERFUME'S NAME. THE SCENT ITSELF IS A LITTLE MORE SUBTLE, WITH AN ANDROGYNOUS APPEAL BUILT ON LEATHER SPICED WITH ORIENTAL NOTES. WEAR IT WITH A WINK.

Pinarello Dogma F10 Team Sky 2018

THE GLINT IN THE EYE OF EVERY MAMIL (THAT'S A MIDDLE-AGED MAN IN LYCRA, IF YOU DIDN'T KNOW). ITALIAN BIKE MANUFACTURER PINARELLO IS ONE OF LVMH'S LATEST ACQUISITIONS (HOW WE WOULD LOVE THEIR SHOPPING BUDGET), AND ITS NEW DOGMA F10 IS JUST SEX ON WHEELS IN ITS SIGNATURE BLACK COLOUR. NOW YOU JUST NEED A RIDER TO MATCH.

Brabantia Bo Touch Bin

WITH TYPICAL DUTCH UNDERSTATEMENT, BRABANTIA ELEVATES THE HUMBLE TRASH CAN FROM AN OVERLOOKED, FORLORN, FUNCTIONAL NECESSITY TO A LESSON IN GREAT DESIGN WHICH IS TO TRASH IN STYLE. YOU MAY BE TEMPTED TO NOT HIDE YOUR WASTE IN THE KITCHEN ANYMORE.

PHOTOGRAPH: BRABANTIA

Bentley Bentayga SUV

NOT FOR THOSE WITH A FAINT-HEARTED CHEQUEBOOK. STALK THE STREETS IN THIS FULLY LOADED, INFINITELY MACHO DRIVE THAT IS, ODDLY, STILL QUITE DISTINGUISHED. GET ALL REVVED UP WITH POWER AND TORQUE. THIS SEXY BEAST IS DEFINITELY NOT A MUMMY CAR, RATHER ONE FOR SOMEONE WHO EATS OTHERS FOR BREAKFAST.

A pub in the Cotswolds, England

IF YOU'RE WONDERING WHERE ALL THE ENGLISH IN LONDON HAVE FLED TO, LOOK NO FURTHER THAN THE COTSWOLDS, A PLACE GENERALLY REGARDED TO BE OF OUTSTANDING NATURAL BEAUTY. ALL THE CITY'S TOP HEDGE FUND MANAGERS HAVE A PUB HERE. IT'S WHERE THEY STASH THEIR EXCESS CASH, IF IT'S GOOD ENOUGH THEY CAN EXPECT WILLS AND KATE, OR HARRY AND MEGHAN TO TURN UP FOR A PINT.

Sonos One speaker

AS YOU SWITCH THIS LITTLE GEM ON IT PINGS THE ROOM TO FIGURE OUT THE ACOUSTICS, THEN IT PLAYS YOUR MUSIC AT A VOLUME THAT HARMONISES WITH YOUR SURROUNDINGS. TOO CLEVER AND TOO GOOD LOOKING, IT'S ALSO EASY ENOUGH TO PACK AND TAKE WITH YOU EVERYWHERE. NEVER BEFORE HAS SOMETHING SO SMALL MADE YOUR PLAYLIST SOUND SO GOOD.

PHOTOGRAPH: SONOS

Dutchdeluxes vintage leather apron

THIS 100 PER CENT VINTAGE LEATHER KITCHEN FRIEND PROVES THAT IT'S POSSIBLE TO MAKE AN APRON SEXY - WHO WOULD HAVE THOUGHT? PROBABLY ABOUT THE ONLY TIME YOU MIGHT FEEL LIKE COOKING (NEXT TO) NAKED. BARBECUES WILL NEVER BE THE SAME AGAIN.

Smythson notebooks & diaries

WHO DOESN'T LOVE A CLASSIC? IT'S NOT NEW, IT'S NOT TRENDY, IT JUST REEKS OF CLASS AND TASTE, AND THAT IS AN ESSENTIAL. WE FELT WE HAD TO REMIND YOU THAT NOT EVERYTHING SHINY AND NEW IS THE 'IN THING' TO HAVE. SMYTHSON IS ALSO THE BRITISH ROYAL FAMILY'S FAVOURITE STATIONERY. JUST THINK, MEGHAN PROBABLY WRITES HER LOVE NOTES TO HARRY IN ONE OF THESE.
